

SHINE camp

Empowering campers to shine from the inside out.

Wellness programming designed to help campers build confidence, regulate their emotions, and embrace their unique strengths through movement, mindfulness, and community connection.

S * Self Awareness:

Guiding campers to understand and manage emotions through mindfulness, breathing, and reflection.

H * Healthy Body & Mind:

Promoting movement, yoga, and body positivity for strength, flexibility, and self-care.

I * Inner Confidence:

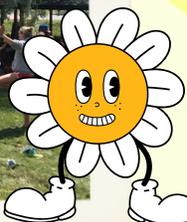

Building self-trust, resilience, and a growth mindset through expression and goal setting.

N * Nurturing Friendships:

Encouraging belonging, teamwork, and kindness through shared experiences and communication.

E * Empowerment:

Providing tools for self-advocacy, leadership, and creative expression, helping campers find their voice and shine in their own way.
